3.2. Core Admin Console Installation. IDE Services are accessible through the Core Admin Console installed by the Customer. 5.3. Supported Versions. JetBrains will provide support for a given IDE Service's latest version as of the support request and at least two (2) version releases immediately preceding the latest version of the IDE Service.

6. PAYMENT PROVISIONS

6.1. Payment Models. The Customer will be billed either after the respective Billing Period based on its actual usage of IDE Services (post-paid Fees), or the Customer can purchase a Subscription to individual IDE Services, in which case the Fees must be paid up front (prepaid Fees).

6.2. Post-Paid Fees. Unless JetBrains and the Customer agree that JetBrains IDE Services will be purchased in accordance with a prepaid Subscription model, the Customer agrees to pay, after the end of every Billing Period, Fees for each IDE Service it uses. The Fee for each IDE Service will be calculated by JetBrains in the manner described in the Special Terms and based on the pricing information published on the JetBrains Website as applicable to IDE Services in the respective calendar month of its usage. If an individual IDE Service was activated by the Customer later than the first day of a calendar month, Fees for that IDE Service will be charged on a pro-rata basis based on the number of remaining days in that calendar month. The Customer acknowledges that deactivation of any IDE Service during a calendar month will not have any effect on the Fees payable for that calendar month.

6.3. Prepaid Subscriptions. Parties may agree that the Customer will order JetBrains IDE Services in accordance with a prepaid Subscription model.

6.4. Payment Terms. At the end of every Billing Period, JetBrains will invoice the Customer for the full amount of Fees payable for all IDE Services used during the respective Billing Period. 6.5. Payment Cards. JetBrains accepts major debit and credit cards ("Payment Cards") for payment via third-party payment gateway providers, including Adyen and PayPal. Any and all Payment Card payments shall be deemed as payments made by the Customer regardless of the name of the card holder making the payment.

6.6. Recurring Payments. The Customer authorizes JetBrains to charge its Payment Card automatically at the interval and in the amount selected by the Customer based on the available options during the online check-out process or in its JetBrains IDE Services settings. The Customer agrees that the Payment Card specified for recurring payments is, and will continue to be, an account that the Customer owns or is otherwise legally authorized to use, and that the Customer will maintain sufficient funds within its credit card limit, or in the case of an account linked to the Customer's debit card, a sufficient available balance, to make recurring payments of Fees. The Customer can cancel recurring payments at any time via the Customer's JetBrains Account. For the avoidance of any doubt, cancellation of recurring payments does not authorize the Customer to receive any portion of the Fees already paid to JetBrains.

6.7. Responsibility for Payment. JetBrains is not responsible for any:

- (a) payment failure resulting from inaccurate payment details provided by the Customer;
- (b) restrictions made by the Customer's bank or payment service provider or processor;

Notwithstanding the foregoing, JetBrains s.r.o. remains the licensor of JetBrains IDE Services and no other provisions of this Agreement shall be affected.

6.11. Late Payment Remedies. If the Customer is in default with its payment obligations to JetBrains, JetBrains may, at its sole discretion and until all Fees due, including default interests, are paid:

- (a) suspend its performance under this Agreement;
- (b) charge default interest on the amount due at the rate of 1.5% per month;
- (c) recover all costs of enforcement of the Fees due, including, without limitation, reasonable legal costs; and/or

6.13. No Set-Off. The Customer may not deduct, withhold, or set off any amount from Fees due to JetBrains.

6.14. Deterioration of Customer's Financial Situation. If after the conclusion of this Agreement circumstances become known to JetBrains that give reason to assume a material deterioration in the financial situation of the Customer so that JetBrains' payment claims appear jeopardized, JetBrains may demand at its choice either provision of security within a reasonable period or payment concurrent with the delivery of JetBrains IDE Services.

7. TAXES

Fees do not include any national, state, federal, or local sales tax, use tax, value added tax (VAT), goods and sales tax (GST), digital services tax (DST), or other tax ("**Local Tax**"). If Fees are subject to any Local Tax, it can be added to the invoice. The Customer bears the sole responsibility for any withholding tax liabilities and no deductions shall be made by the Customer from the amount payable to JetBrains, provided, however, that the Parties agree that amounts payable under this Agreement are not subject to withholding tax in the Customer's country based on Article 7 of the treaty between the Czech Republic and the Customer's country for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and capital ("**Double Taxation Treaty**") and that Article 12 of such Double Taxation Treaty is not applicable to this Agreement.

8. PURCHASING INDIRECTLY

If the Customer orders a Subscription through an authorized JetBrains reseller or distributor, the terms of this Agreement shall apply except for Section 6 (Payment Provisions) and Section 7 (Taxes). 17. MISCELLANEOUS

17.1. Entire Agreement. This Agreement and the Special Terms constitute (together with any mutually accepted order referencing this Agreement, if applicable) the entire agreement with respect to JetBrains IDE Services and

replace any and all prior or contemporaneous oral, email, or written representations, communications, advertising, or understanding between the Parties with respect to its subject matter. In case of any discrepancy between the provisions of this Agreement and the Special Terms, the provisions of the Special Terms shall prevail. Except as expressly mentioned, this Agreement does not apply or give rights to any third-party beneficiaries.

17.2. Customer's Conditions Excluded. Any specific or general terms and conditions of the Customer are excluded, even if the Customer refers to such terms. No order, purchasing terms of the Customer, handwritten, emailed, or typewritten text, or other document that modifies this Agreement is applicable unless signed by the Customer and JetBrains. JetBrains' action or conduct does not constitute acceptance of any specific or general terms or conditions put forward by the Customer.

17.3. Changes to This Agreement and the Special Terms. This Agreement and the Special Terms can be updated from time to time by JetBrains to reflect changes in JetBrains IDE Services and how it is offered to the Customer. When JetBrains updates this Agreement or the Special Terms, any updated Agreement or Special Terms will become effective as of the date specified in the updated Agreement or Special Terms. By continuing to use JetBrains IDE Services for a period longer than thirty (30) calendar days counting from the effective date, the Customer agrees to be bound by the modified Agreement or Special Terms, as applicable. JetBrains respects that the Customer might not agree to the updated Agreement or Special Terms. If that is the case, the Customer may terminate the updated Agreement or Special Terms at any time up to thirty (30) days after the effective date of the updated Agreement or Special Terms. Termination according to this Section or the Special Terms entitles the Customer to a refund of any unused portion of prepaid Fees.

17.4. Notification of Changes. JetBrains will notify the Customer about the changes to this Agreement or Special Terms by:

- (a) displaying the updated Agreement or Special Terms to the Customer in JetBrains IDE Services;
- (b) displaying the updated Agreement or Special Terms to the Customer in the Customer's JetBrains Account; or
- (c) sending the updated Agreement or Special Terms to the email address used in the Customer's JetBrains Account.

17.5. Reservation of Rights. JetBrains reserves the right at any time to alter settings, features, specifications, capabilities, functionality, terms of use, release dates, list prices, general availability, and other characteristics of JetBrains IDE Services.

17.6. Severability. If a particular provision of this Agreement or Special Terms is not enforceable, or is held to be invalid, the unenforceability of that provision will not affect any other provisions of this Agreement or Special Terms and the remainder of this Agreement and Special Terms will continue in full force and effect.

17.7. Interpretation. Headings and titles are for convenience only and do not affect the interpretation of this Agreement and the Special Terms. References to time or periods of time are determined in reference to Central European Time.

17.8. Assignability. The Customer may assign this Agreement or any order referencing it only subject to the prior written approval of JetBrains. In case of a merger or sale of all or substantially all of the Customer's assets or stock to another entity, JetBrains will not unreasonably withhold its approval. Any attempted assignment of this Agreement or any of such rights or obligations without JetBrains' prior written approval shall be void and of no effect. The Customer agrees that JetBrains may assign this Agreement to its Affiliates subject to prior written notice.

17.9. No Waiver. No delay or omission by either Party in exercising any rights or remedy hereunder shall be considered a waiver of such right or remedy or of any other right or remedy under this Agreement or the Special Terms. A waiver of any right or remedy under this Agreement or the Special Terms shall not be construed as a bar to or waiver of any such right or remedy in the future.

17.10. Equitable Relief. Nothing in this Agreement or the Special Terms will prevent either Party from pursuing or seeking any equitable remedy under applicable law.

17.11. Notice by JetBrains. JetBrains may deliver any notice to the Customer via email to an email address provided by the Customer, via the Customer's JetBrains Account, or via registered mail, personal delivery, or reputable express courier (such as DHL, FedEx, or UPS) to the registered address. 17.13. Governing Law; Dispute Resolution. If the Customer is domiciled in the USA, this Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to its conflict of laws principles. The United Nations Convention on Contracts for the International Sale of Goods (CISG) shall not apply. If the Customer is domiciled outside of the USA, this Agreement shall be governed by the laws of England and Wales, without regard to its conflict of laws principles. In case of a dispute, the Parties will make their best commercial efforts to settle the dispute amicably. If they cannot resolve the issue in this manner, then any disputes or claims arising out of or in connection with this Agreement, including disputes relating to its validity, breach, termination, or nullity, shall be finally settled under the Rules of Arbitration (Vienna Rules) of the Vienna International Arbitral Centre (VIAC) of the Austrian Federal Economic Chamber by one arbitrator appointed in accordance with said Rules. The arbitration proceedings shall be held in English.

17.14. Force Majeure. Neither Party shall be in breach of this Agreement, or otherwise liable to the other, by reason of any delay in performance, or non-performance, of any of its obligations under this Agreement (except payment obligations), arising directly from an act of God, fire, flood, natural disaster, an act of terrorism, strike, lock-out, labor dispute, public health emergency, civil commotion, riot, or act of war.

17.15. Authorization. The person accepting this Agreement represents and warrants that they are authorized to do so on behalf of their Party.

17.16. Relationship. The Customer and JetBrains are independent parties. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary, employment, or similar type of legal relationship.
